SAFE SWIMMING

LOCATION AND DESCRIPTION

Camp Perrot is situated on the south shore of Ile Perrot looking out over the St. Lawrence River with Beauharnois on the left and the Ottawa and St. Lawrence merging on the right. One of the sights, at the camp, is the ships travelling up and down the river, in front of the camp, and entering the St. Lawrence waterways Soulanges canal to the right of the camp. The camp property is some forty-five acres in extent and has some 600 feet of shore line.

SWIMMING

There is a sandy shore line where the campers swim. This sand extends into the water for about one hundred feet and becomes a hard clay bottom. The slope is very gradual and the swimming location is safe for beginners. On the other hand, skilled swimmers have plenty of opportunity and space for advanced swimming from the raft.

PLAYING SPACE

A considerable portion of the camp property is level ground and lends itself to all types of team games such as softball, football, etc. Extensive bush land is within walking distance of the camp, where campers can enjoy nature hikes, camping out, and various woodcraft games.

A REGISTERED NURSE IN ATTENDANCE

A registered nurse is in residence throughout the camp period. A daily health clinic is held to insure the safety and health of campers.

DRINKING WATER

A deep artesian well, tested and approved, provides an abundance of pure drinking water.

HOUSING

Campers sleep in tents erected over wooden floors built well off the ground. Each camper is supplied with a straw tick.

A FARM EXPERIENCE

The camp operates a large garden for the benefit of the campers. Boys and girls are given the opportunity to work in the garden. The close proximity of many farms makes it possible for the campers to become familiar with the elements of farming.

WHO MAY GO

Any boy or girl 10 to 16 years of age. In order to provide a holiday for as large a number as possible campers are restricted to a maximum of two weeks.

CAMP STAFF

The staff consists of a Camp Director, business manager, camp nurse, chef, and a program director. YMCA secretaries attend the camp with the boys from their own branch and during their stay assume responsibility for program. Tent leaders are selected from amongst the older campers and Senior High School Students.

EQUIPMENT

Each camper must come supplied with three warm blankets, pillow, toilet articles, towels, bathing suit, soap, and clothes suitable for camp. In addition campers must supply their own eating utensils, i.e. plate, cup, bowl, knife, fork, a small and a large spoon.

BRING RATION BOOKS.

CAMPERS BECOME GARDENERS

SUN BATHING ON THE BEACH

WEEK-END CAMPERS

Working boys and girls can make arrangements through the nearest YMCA to go to the camp from Saturday afternoon to Sunday evening at a cost of \$1.40. Each individual must provide transportation.

TRANSPORTATION ARRANGEMENTS

Campers will be taken by bus from the Terminus on Dorchester St. at Drummond to the camp and return. The cost of the round trip is \$1.00 and is paid with the fees at the YMCA. Conducted parties will leave every Wednesday at 10 a.m. and will return to the terminus at around 12.30 p.m.

COST

Camp rates are \$7.00 a week plus the cost of transportation which is \$1.00 return. Fees and transportation are payable at the "Y" Branch. Parents wishing to do so may drive their children to the camp.

VISITING

Sunday is set aside as visitors day.
